

## **SentriLock Designates Toys for Tots as its 2009 Holiday Charity**

### *SentriLock Helps Fulfill the Holiday Dreams of Children in Need*

Cincinnati, Ohio ([PRWEB](#)) December 18, 2009 -- SentriLock, the fastest-growing and number-one rated provider of electronic lockbox systems for the residential real estate industry, today announced that it has designated the Marine Toys for Tots Foundation as its holiday charity in lieu of a traditional holiday gift. SentriLock has made a donation to Toys for Tots charities in the U.S. and Canada (run by the Salvation Army) to equally represent all of its customers across North America.

Chris Ralstin, Senior Manager of Customer Relations, said, "We have already heard from our clients that they appreciate the donation in their names. We all thought, 'What better way to give back in the holiday season than to help provide joy to children in need?' Toys for Tots often provides the only presents some children will receive during the holidays. We couldn't pass up the opportunity to help complete the holiday experience for those who might not otherwise get it."

William J. Grein, Major, USMC (Ret), Vice President of the Marine Toys for Tots Foundation, said: "The Marine Corps fulfilled the holiday dreams of over 7.6 million underprivileged children in 2008. While that's a tremendous accomplishment, we're hoping to reach an even greater number of children in 2009." SentriLock is proud to aid the charity in its mission.

SentriLock clients concur. Barbara S. Murray, Executive Officer of the Mansfield (Ohio) Board of REALTORS®, said "Thanks for giving to Toys for Tots. My son-in-law is a Marine and always heads up the Toys for Tots drive at his base. My family members are huge fans."

Rick Wood, Assistant Executive Officer of the Fraser Valley Real Estate Board in British Columbia, Canada, said: "Your donation to the Toys for Tots program in our name is very thoughtful and we appreciate it."

Ms. Murray added, "People don't care how much you know, until they know how much you care."
