

CAREER DEVELOPMENT

Invest in a Company that Invests in You!

SentriLock team members quickly find that our company's work environment enables employees to make a positive impact on the business and offers career advancement and growth potential. To make sure team members achieve their dreams, SentriLock provides access to powerful tools and best-in-class development resources to facilitate growth.

Recipe for your success

SentriLock's success is driven by a team who is passionate about their personal growth. That's the SentriLock Way!

We ensure your success at SentriLock through:

- Carefully designed onboarding training plans
- Focus on Employee Engagement
- Collaborative performance planning between the employee and manager
- Consistent feedback and coaching
- Commitment to learning and development

Employee Spotlight

Brandon Payne, Support Assistant Manager

Brandon Payne Joined SentriLock as a Customer Support Representative and has been promoted to Assistant Manager in the Support Department.

"My family and friends are probably tired of hearing me brag about SentriLock... there are a lot of reasons to stay here!"
