

RELAX. YOUR HOME IS SENTRILOCKED!

If you're like most people, your home is your biggest investment. You protect it from the impact of fire and storm damage with homeowner's insurance. Doesn't your home deserve the best protection you can find when you're ready to sell?

SentryLock Has the Solution

The SentryLock Bluetooth® REALTOR® Lockbox is the smart choice when it comes to managing access to your home. It's what your home deserves, and it's what you deserve!

Securing Your Home

The SentryLock lockbox is state-of-the-art, built with the highest quality materials, and is engineered to protect your home in all kinds of conditions. It's truly like a vault for your home!

Keeping You Informed

The SentryKey® Real Estate app serves as the control center for the lockbox and can provide instant notifications to you and your agent when your home has been entered. It shows who entered it, when they entered, and when they left.

Ensuring it's Accessible

The SentryLock Bluetooth® REALTOR® Lockbox gives real estate agents quick and easy permissioned access to your home for showings. Easy access means more showings and getting your home SOLD!

Getting Your Home Sold

Important information about your home is right at hand with the SentryKey Real Estate app. Listing price, bedrooms, bathrooms, and square footage are just a few of the details the app provides to help get your home sold quickly.

We know that your home is one of your most valuable possessions. We want to keep it safe and secure when it's available for sale. Go ahead and relax. Your home is SentryLocked!
