

# Benefits and Perks

“Our comprehensive employee benefits package is designed to support the wellbeing of our team, by offering competitive health coverage, a 401(k) plan, and additional perks to enhance a work-life balance.”

Megan Haber, Benefits and Wellness Manager

SentriLock is proud to offer our Smart Life benefits program to you and your family members. This is one way we put the needs of our most important customer, our employees, first. Our benefits are designed to support all aspects of your wellness, including health, financial, emotional and social wellness to support a smart life.

## Health Coverage

At SentriLock, we provide a choice of multiple coverage levels for medical, dental, vision plans, as well as Health and Dependent Care savings accounts, company-paid life insurance and company-paid short- and long-term disability coverage.

## Financial Security

SentriLock offers a 401(k) Savings Plan with a generous company match to all full-time and part-time employees. All employees also have access to knowledgeable financial advisors to assist with staying on track with your retirement savings goals.

## Work/Life Balance

Full-time employees are eligible to earn paid time off based on length of service and relevant previous work experience, starting at 12 days per year and earning up to 26 days within 5 years, as well as 7 paid holidays. SentriLock encourages its employees to use their Paid Time Off (PTO) and will even PAY for your vacations as a benefit exclusive for employees who have reached 5 years of service or more with SentriLock... sending you on a SentriCation!
